

September 2014

Dear Sir or Madam,

SYLEX, s.r.o. would like to inform you following changes have been made in our products portfolio:

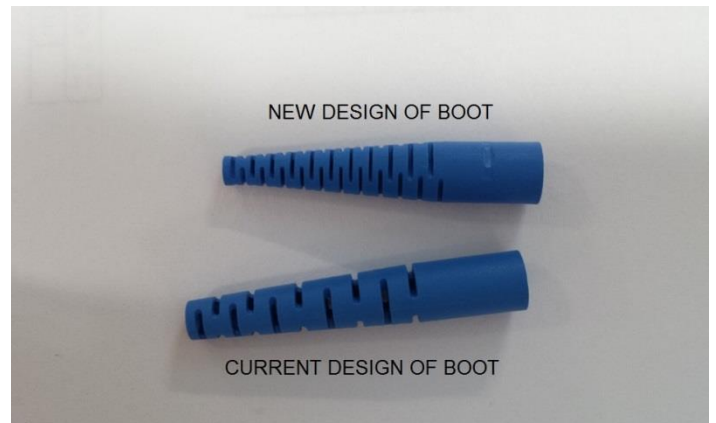

- Design change of 2mm and 3mm boots for SC/FC/ST connectors

This change affects items listed below:

- Pre-terminated 24F cables with Duralino fan-out®
- MTP®-SC/FC fan-outs
- Simplex and duplex patchcords

Reason of Change:

- Smaller diameter of back part of the boot
- Smaller bending diameter

Effective Date of Change:

This change will be implemented in running change mode. For details of the schedule of the change in certain part numbers, please contact sales department.

Sincerely,

SYLEX team
