

April 2015

Dear Sir or Madam,

SYLEX, s.r.o. would like to inform you following changes have been made in our products portfolio:

- New SYLEX packaging of 1U Patch panels

This change affects items listed below:

- Patch panel body only
- Patch panel with front plate and back plates
- Patch panel loaded with adapters (and pigtails) and cable glands
- Patch panel loaded with MTP modules and adapter plates

Reason of Change:

- Improved protection against crush
- Dimensions for ideal warehouse storing and loading on euro-pallet

Effective Date of Change:

This change will be implemented in running change mode. For details of the schedule of the change in certain part numbers, please contact sales department.

Sincerely,

SYLEX team
