

SPC-02 S-line Comp 2.2

Basic characteristic

- ▲ **S-line Comp 2.2** is the successor of the previous S-line Comp generation with enhanced performance and options.
- ▲ **S-line Comp 2.2** features an industrial-grade computer with a WOL function and Wi-Fi option packaged into an S-line family-compatible module.
- ▲ **S-line Comp 2.2** is supplied with preinstalled Sentinel 2.0 (SentinelID) automated data acquisition and evaluation software.

Performance properties

CPU	Intel Pentium N4200, 4x1,1GHz (2,5Ghz turbo), 2MB Cache
Display	Intel® HD Graphics 500/505
Memory	8GB DDR3 1866MHz CL13
Ethernet	Intel® Gigabit Ethernet i211AT/i210IT, 10/100/1000Base-TX, RJ-45
Wi-Fi	Wi-Fi 5 802.11ac 2x2 Dualband + Bluetooth
Storage	SATA III, 128GB SSD
OS	Windows 10 IoT LTSC 2019

Physical properties

Dimensions (without cable)	300x200x42mm
Weight (without cable)	2,02kg
Power consumption	9-18V, 20W
Interface	1x USB 2.0, 2xUSB 3.2 GEN 1, Wi-Fi 5 802.11ac
Display interface	HDMI 1.4b Supports 3840 x 2160 (4K x 2K)

Packaging

Cardboard box with dimensions: 364x351x140mm (see [Figure 1](#))

Optional - Ruggedized transportation case with dimensions: 502x401x188mm (see [Figure 2](#))

Quality statement

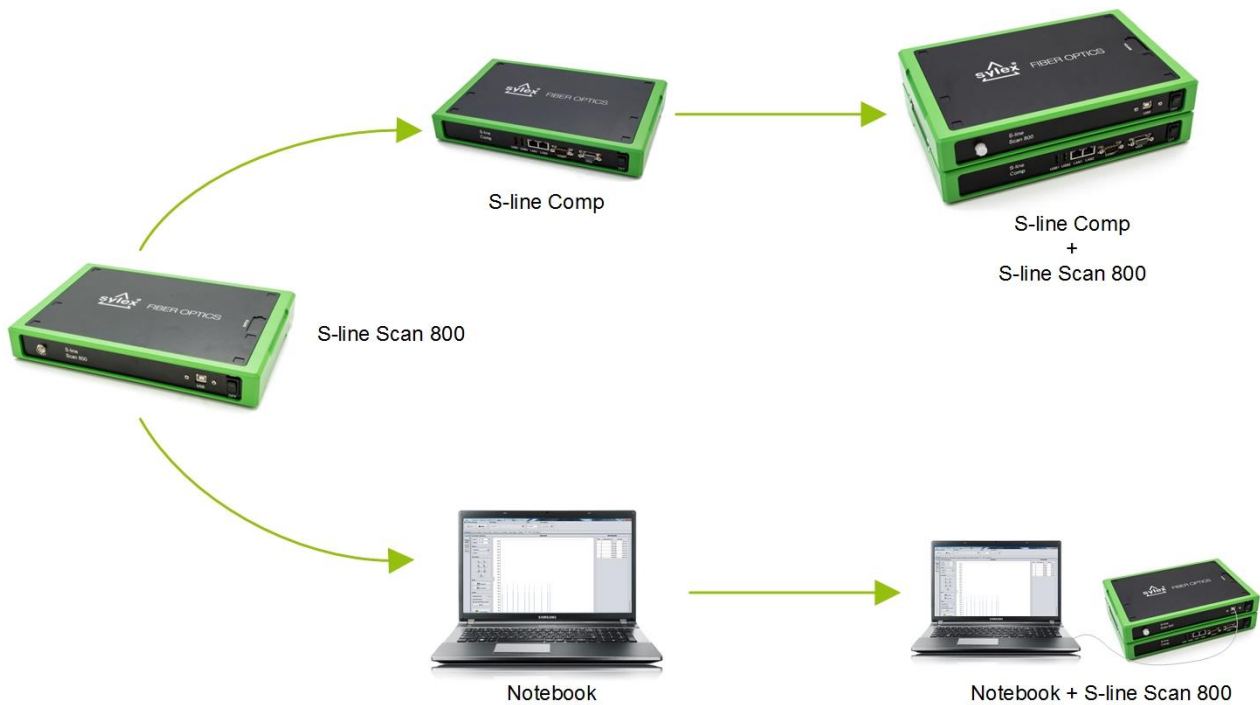

All computers are 100% tested at SYLEX

The computer is manufactured according to ISO 9001:2008 and ISO 14001:2004

Accessories (included):

- ▲ Sentinel 2.0 – automated data acquisition and evaluation software
- ▲ Wi-Fi antenna
- ▲ Power adapter, 90-264V input range, 12V/2A output, with EU-UK-US compatible sockets

Communication options example

Packaging options

Figure 1: Cardboard box as standard packaging

Figure 2: Waterproof, crash proof and dust proof transportation case as optional packaging
